Rules of Play

1. Uncover, one after the other, 21 of the 35 fields in the «YOUR NUMBERS» game area. Numbers that match are automatically marked in the game area.
2. If you manage to mark the three fields of the bonus safe, you receive one of the following bonuses:
 - a. Key symbol: Three numbers that have not been marked yet are presented to you on three different safes. From these numbers, select the one you want to have marked as found in the game area by clicking on the number.
 - b. Joker symbol: You may uncover an additional field in the «YOUR NUMBERS» game area.
 - c. Cash amount: You win the amount shown immediately.
3. If you manage to mark all the numbers of a safe in the game area, you win the amount shown.
4. The game is over when the number of fields still to be revealed is zero.

Multiple wins are possible.

Example: Win CHF 10.-

Further provisions

The online instant ticket «Safe Knacker» is also subject to the provisions of the present Game Rules, the Online Instant Ticket Products «Clix»: General Terms of Participation as well as the Terms for Online Participation.

In the event of any conflicts, the following provisions take priority.

If the **Buy instant ticket** field on the button for the online instant ticket product «Safe Knacker» is clicked, an online instant «Safe Knacker» ticket and the accompanying instructions for play will appear in a window. The purchase price will automatically be deducted from the balance in the player's wallet.

The player acknowledges that the online instant «Safe Knacker» ticket randomly produced for him was pregenerated by the interactive gaming system. This means that, prior to the time of purchase, each online instant ticket was encoded with a unique instant ticket number and the result (i.e. the winning instant tickets) was determined in advance by the interactive gaming system by means of a draw. The instant ticket number appears in the lower section of the window for the online instant ticket; the instant ticket number is the sole indicator of the result of the lottery.

Consequently, by purchasing an online instant «Safe Knacker» ticket, the player takes part in a game of chance in which neither skill nor the player's choice nor the graphic animation itself determines the outcome of the game.
