

Game Rules for the «Clix – Special Days» Promotion

General information

1. «Clix – Special Days» is the name of a promotion offering the chance to win free game credit for online instant ticket lottery products worth a maximum total of CHF 61,700.
2. Swisslos, a cooperative domiciled in Basel, is running this promotion in the territory of German-speaking Switzerland¹, Ticino and the Principality of Liechtenstein (collectively the Swisslos Contract Territory) in accordance with these Game Rules.
3. These Rules supplement the Terms for Online Participation, general Game Rules and Terms of Participation for Online Instant Ticket Products “Clix”, as well as the individual Game Rules for all Online Instant Ticket Products “Clix”.

Entitlement to participate

4. The «Clix – Special Days» promotion consists of ten clearly separate rounds (see below).
5. Participation in the promotion requires a purchase of the «Instant Ticket of the day» defined for the specific round. Players must have a game account on the Swisslos Internet Gaming Platform in order to be able to make such a purchase. Only persons of at least 18 years of age and residing in the Swisslos Contract Territory may open a game account.

Prize structure

6. In each round, free game credits are given in accordance with the following prize structure. In each round, a win rate is defined for each «Daily Instant Ticket». For example, if a win rate of 5 is set, each fifth Clix online instant ticket of this type wins the prize in the form of free gaming credit for Clix online instant tickets.
7. The win rate applies globally across all Clix online instant tickets sold for a specific type, i.e. 5 purchased instant tickets with a win rate of 5 will not automatically result in a prize.
8. Once the maximum free gaming credit listed in the table below is reached, a round may end early.
