1	x	10'000.-	=	10'000.-

108'558 x = 422'300.-

Example: Win Fr. 10.-

## Rules of Play

1. Scratch off « YOUR LETTERS » (« IHRE BUCHSTABEN ») one after the other.
2. Check whether the letter you have uncovered appears once or more in the crossword puzzle. Scratch off the matching letters in the crossword puzzle.
3. If you scratch off two or more complete words in accordance with the provisions, you win the amount corresponding to the number of words listed in the « PRIZE LEGEND » (« PREISLEGENDE »).

## Provisions

- A word consists of a minimum of three letters and is shown exclusively horizontally from left to right or vertically from top to bottom.
- A word is demarcated by either empty fields and/or the edge of the game area.
- A word only counts as a full word when all the letters within the depicted area are uncovered, with this word counting as one word (e.g.: SANDBOX does not count as the two words SAND and BOX).
