DRAWS

a) General remarks and responsibility

10. Swisslos is responsible for carrying out the competition.

All decisions regarding the holding of the draw are taken in agreement between the Swisslos representatives present and the supervisor. The ultimate decision rests with the latter. Decisions confirmed by the supervisor as well as draw results are final.

b) Allocation of prizes

11. The Swisslos Gaming System automatically assigns the prizes to the individual entries in accordance with defined criteria and rules.

The results of the draw are documented in a draw protocol, which will be available for inspection subsequent to a request for such.

DELIVERY OF PRIZES

12. Winners of main prizes will be notified by e-mail within ten (10) working days of the draw. Winners must provide Swisslos with their postal address within seven (7) days of the date the prize notification was sent and confirm that they wish to claim the prize. Prizes which are not confirmed in time cannot be claimed at a later date and are forfeited.

13. Prizes will not be paid out in cash. Swisslos can replace a prize advertised with another prize of equal value at any time.

MISCELLANEOUS

14. Participants who violate and/or manipulate the Terms of Participation can be excluded from the competition. If there are grounds for exclusion, corrections may be made to the rankings and any prizes may be withdrawn (even at a later time), or any prizes paid or sent out can be reclaimed.
15. Swisslos as organizer or the agencies or partners tasked with carrying out the competition are entitled to suspend, cancel or stop the competition if it can no longer be duly carried out, especially in the case of hardware or software failures, program errors, computer viruses or unauthorized access by third parties, as well as mechanical, technical or legal problems.
16. Swisslos will endeavour to make the competition playable on all common web browsers and the latest versions of these browsers. Entitlement to play cannot be inferred if a web browser or a version of it is not supported.
17. If e-mails cannot be sent to winners (due to technical problems, for example), there is no entitlement to compensation.
18. By entering this competition, the participant accepts these Terms of Participation as well as any publicity associated with a win, in particular that their name and place of residence may appear and/or be published on both the Swisslos website (www.swisslos.ch) and in other media.

In the event that details are accidentally published incorrectly, only the draw results are binding for the entitlement to a prize, and not the incorrect details published.

Furthermore, the participant agrees to receive information from Swisslos about other lottery and betting products. It is possible to unsubscribe at any time – it can also be done in the entry form. Data is never passed on to third parties.

19. No correspondence will be entered into with regard to the competition. The judges' decision is final.
20. The present Terms of Participation supplement the Terms of Participation via the Internet Gaming Platform issued by Swisslos Interkantonale Landeslotterie.
21. Where the English, French or Italian version of these Terms of Participation deviates from the German version, the German version alone is binding.

These terms and conditions are available at (www.swisslos.ch).
